

“The Sprout pencil is an original, eco-friendly and very popular gift idea.”

WHO Nature Planet, a leading supplier of quality toys, souvenirs and accessories for more than 1,000 attractions worldwide.

WHAT Customized pencils and single cards in display boxes.

HOW Nature Planet distributes Sprout pencils as gift ideas for museum shops, amusement parks, zoo gift shops and other attractions around the world.

WHY Nature Planet offers products with a sustainable and environmental focus.

“The Sprout pencils have a strong message of sustainability that we can identify with. Being able to offer these plantable pencils simply makes sense for a brand like ours.

We strive to reuse, reduce and recycle whenever possible. We donate 5% every time we sell a product from our PLAN and Save the Orangutan range.

The Sprout pencil is an original, eco-friendly and very popular gift idea. The demand is high, we are impressed by the sales and are urged to re-order much faster than we expected.”
